Caspian Trade LLC - Contract Rules

Internal rules for every supplier and service contract. Contracts that do not meet these rules must be escalated to Legal.

1. Payment terms

Payment terms must not exceed 30 days from the invoice date.

2. Liability

The supplier liability cap must not be lower than 12 months of fees paid under the contract.

3. Personal data

Every contract in which the supplier can access personal data must include a data protection clause with confidentiality and security measures.

4. Termination

Either party must be able to terminate for convenience with at most 60 days written notice. Automatic renewal is only allowed with a notice period of at least 30 days.

5. Governing law

Contracts with Azerbaijani parties must be governed by the law of the Republic of Azerbaijan and disputes must be resolved in the courts of Baku.

6. Confidentiality

Every contract must contain a confidentiality obligation that lasts at least 3 years after the contract ends.
