How to read this report: text in italics between quotation marks is copied from the document. "Quote verified" means it was found word-for-word in the document text; a quote that was not found must not be relied on. Everything else is the AI's explanation, not a quote. A risk can only be closed after a recorded human approval. The compliance score starts at 100 and loses 18 / 12 / 7 / 2 points for each open Critical / High / Medium / Low risk; closed risks and risks whose quotes were not found are not counted. Related standards are areas to check, not findings of a breach. Suggested clauses are drafts for a lawyer to review.

RISK 1 OF 6

Confidentiality obligation does not survive the Agreement

Medium | Open | Quote verified | Security & Privacy | Actual issue | Likelihood: Medium

WHAT THE AI FOUND

The confidentiality obligation is expressly limited to the Agreement term and does not continue for at least three years after the Agreement ends.

WHY IT MATTERS

Customer may have reduced contractual protection against disclosure of its information after the services end.

WHY THIS SEVERITY

A problem the document states outright. Information shared for hosting and support may remain sensitive after termination, but the types and sensitivity of confidential information are not fully described.

QUOTES FROM THE DOCUMENT

> *“Each party shall keep the other party information confidential during the term of this Agreement.”*

Verified · page 1

RECOMMENDED ACTION

Extend each party's confidentiality obligations for at least three years after termination or expiry.

COMPANY RULE

> *"Every contract must contain a confidentiality obligation that lasts at least 3 years after the contract ends."*
>
> Found in "test-company-rules"

HOW THE DOCUMENT DIFFERS

The Agreement limits confidentiality to its term and does not provide a three-year post-termination obligation.

RELATED STANDARDS TO CHECK (NOT A FINDING OF A BREACH)

- Azerbaijan law — Civil Code - contractual confidentiality obligations
- Azerbaijan law — Law on Personal Data - confidentiality of personal data

SUGGESTED CLAUSE — DRAFT, HAVE A LAWYER REVIEW (6. CONFIDENTIALITY)

Each party shall keep the other party's Confidential Information confidential during the term of this Agreement and for at least 3 years after this Agreement ends.

ACTIONS

- Extend each party's confidentiality obligations for at least three years after termination or expiry.

RISK 2 OF 6

Governing law and forum conflict with internal Azerbaijan requirement

Medium | Open | Quote verified | Legal & Compliance | Actual issue | Likelihood: Medium

WHAT THE AI FOUND

The Agreement is governed by the laws of England and Wales and assigns disputes to London courts, rather than the law of the Republic of Azerbaijan and courts of Baku required for contracts with Azerbaijani parties.

WHY IT MATTERS

Customer may need to resolve disputes under foreign law in London rather than in Baku, increasing legal and operational burden.

WHY THIS SEVERITY

A problem the document states outright. A foreign governing law and forum can increase dispute-management cost and complexity for an Azerbaijani Customer, though the likelihood of a dispute is unknown.

QUOTES FROM THE DOCUMENT

> *"This Agreement is governed by the laws of England and Wales. Disputes will be resolved by the*
> *courts of London."*
>
> Verified · page 1

RECOMMENDED ACTION

Replace the governing-law and dispute-resolution clause with Azerbaijan law and the courts of Baku.

COMPANY RULE

> *“Contracts with Azerbaijani parties must be governed by the law of the Republic of Azerbaijan and*
> *disputes must be resolved in the courts of Baku.”*

Found in “test-company-rules”

HOW THE DOCUMENT DIFFERS

The Agreement selects England and Wales law and London courts rather than Azerbaijan law and Baku courts.

RELATED STANDARDS TO CHECK (NOT A FINDING OF A BREACH)

- Azerbaijan law — Civil Code - governing law and dispute resolution in contracts

SUGGESTED CLAUSE — DRAFT, HAVE A LAWYER REVIEW (5. GOVERNING LAW)

This Agreement is governed by the law of the Republic of Azerbaijan. Any dispute arising out of or in connection with this Agreement shall be resolved exclusively by the courts of Baku.

POINTS TO CHECK

A lawyer should confirm enforceability and any cross-border dispute-resolution considerations.

ACTIONS

- Replace the governing-law and dispute-resolution clause with Azerbaijan law and the courts of Baku.

RISK 3 OF 6

Termination and renewal protections are incomplete

Medium | Open | No quote | Operational | Missing protection | Likelihood: Medium | Needs your review

WHAT THE AI FOUND

The Agreement provides Supplier with a right to terminate at any time without notice and automatically renews annually, but does not provide Customer with a stated convenience-termination right or a renewal notice period of at least 30 days.

WHY IT MATTERS

Customer could remain committed to hosting and support services beyond the intended term or have less contractual flexibility than Supplier.

WHY THIS SEVERITY

A protection the document does not include. Customer may be unable to exit the arrangement on a defined convenience basis or prevent an unwanted renewal. The practical impact depends on service dependency and renewal administration, neither of which is stated.

RECOMMENDED ACTION

Add a mutual convenience-termination right with written notice of no more than 60 days and require at least 30 days' notice before automatic renewal.

COMPANY RULE

> *“Either party must be able to terminate for convenience with at most 60 days written notice. Automatic renewal is only allowed with a notice period of at least 30 days.”*

Found in “test-company-rules”

HOW THE DOCUMENT DIFFERS

The Agreement does not state a Customer convenience-termination right or a 30-day renewal notice period.

RELATED STANDARDS TO CHECK (NOT A FINDING OF A BREACH)

- Azerbaijan law — Civil Code - termination and renewal of service contracts

SUGGESTED CLAUSE — DRAFT, HAVE A LAWYER REVIEW (4. TERM AND RENEWAL)

Either party may terminate this Agreement for convenience by giving the other party no more than 60 days' written notice. This Agreement may renew automatically only if Customer receives at least 30 days' written notice before the renewal date.

WHY IT NEEDS YOUR REVIEW

- No supporting quotation: the finding is not backed by text from the document.
- The AI flagged this finding as uncertain.

POINTS TO CHECK

Confirm whether termination and renewal rights are addressed in an incorporated order form or another agreement, although none is identified in this complete document.

ACTIONS

- Add a mutual convenience-termination right with written notice of no more than 60 days and require at least 30 days' notice before automatic renewal.

RISK 4 OF 6

No data protection clause for Supplier access to personal records

Medium | Open | No quote | Security & Privacy | Missing protection | Likelihood: Medium | Needs your review

WHAT THE AI FOUND

Supplier will access Customer employee and client records, but the Agreement contains no data protection clause requiring confidentiality and security measures for that access.

WHY IT MATTERS

Customer may lack contractual controls over how Supplier protects, uses, and secures employee and client records.

WHY THIS SEVERITY

A protection the document does not include. Supplier access to employee and client records creates potentially significant privacy and security exposure if the records are mishandled. The Agreement does not state the required safeguards. Lowered from High to Medium: A missing protection is a gap rather than harm that has happened, so it is rated Medium unless harm is likely.

RECOMMENDED ACTION

Add a data protection clause requiring Supplier to process personal data only as instructed and to apply confidentiality and appropriate security measures.

COMPANY RULE

> *“Every contract in which the supplier can access personal data must include a data protection clause with confidentiality and security measures.”*

Found in “test-company-rules”

HOW THE DOCUMENT DIFFERS

Supplier can access employee and client records, but the Agreement contains no data protection clause with confidentiality and security measures.

RELATED STANDARDS TO CHECK (NOT A FINDING OF A BREACH)

- Azerbaijan law — Law on Personal Data - processing and protection of personal data

SUGGESTED CLAUSE — DRAFT, HAVE A LAWYER REVIEW (ADD A NEW CLAUSE AFTER 1. SERVICES)

Supplier shall process Customer employee and client records only as necessary to provide the Services and in accordance with Customer's documented instructions. Supplier shall keep such records confidential and implement appropriate technical and organizational security measures to protect them against unauthorized access, disclosure, alteration, loss, or destruction.

WHY IT NEEDS YOUR REVIEW

- No supporting quotation: the finding is not backed by text from the document.

POINTS TO CHECK

The types of records, processing activities, and any existing external data-processing terms should be confirmed.

ACTIONS

- Add a data protection clause requiring Supplier to process personal data only as instructed and to apply confidentiality and appropriate security measures.

RISK 5 OF 6

Supplier liability cap is below internal minimum

Medium | Open | Quote verified | Legal & Compliance | Actual issue | Likelihood: Medium

WHAT THE AI FOUND

The Supplier's liability is capped at fees paid in the preceding one month, rather than at least 12 months of fees paid under the Agreement.

WHY IT MATTERS

Customer may be unable to recover losses above one month of fees if Supplier breaches the Agreement or causes service-related harm.

WHY THIS SEVERITY

A problem the document states outright. A one-month cap could materially limit Customer's recovery if Supplier causes loss, but the likely value and nature of potential claims are not stated.

QUOTES FROM THE DOCUMENT

> *“Supplier total liability under this Agreement is limited to the fees paid in the preceding one month.”*

Verified · page 1

RECOMMENDED ACTION

Increase the Supplier liability cap to at least 12 months of fees paid under the Agreement.

COMPANY RULE

> *"The supplier liability cap must not be lower than 12 months of fees paid under the contract."*

Found in "test-company-rules"

HOW THE DOCUMENT DIFFERS

The Agreement caps Supplier liability at one month of fees instead of at least 12 months of fees.

RELATED STANDARDS TO CHECK (NOT A FINDING OF A BREACH)

- Azerbaijan law — Civil Code - liability for breach of obligations

SUGGESTED CLAUSE — DRAFT, HAVE A LAWYER REVIEW (3. LIABILITY)

Supplier's total liability under this Agreement is limited to the fees paid by Customer under this Agreement in the preceding 12 months.

POINTS TO CHECK

Legal should confirm whether additional uncapped liabilities or separate liability carve-outs are needed for the hosted records and support services.

ACTIONS

- Increase the Supplier liability cap to at least 12 months of fees paid under the Agreement.

RISK 6 OF 6

Payment term exceeds internal maximum

Medium | Open | Quote verified | Financial | Actual issue | Likelihood: High

WHAT THE AI FOUND

Customer is required to pay invoices within 90 days, exceeding the internal maximum of 30 days from invoice date.

WHY IT MATTERS

Customer may face a contract that conflicts with its approved payment controls and requires Legal escalation.

WHY THIS SEVERITY

A problem the document states outright. The stated payment period is three times the internal maximum and can delay Customer's cash outflow planning and supplier-payment administration. The document states the extended term directly.

QUOTES FROM THE DOCUMENT

> *"Customer shall pay each invoice within 90 days of the invoice date."*

Verified · page 1

RECOMMENDED ACTION

Amend the payment clause to require payment within 30 days of the invoice date.

COMPANY RULE

> *"Payment terms must not exceed 30 days from the invoice date."*

Found in "test-company-rules"

HOW THE DOCUMENT DIFFERS

The Agreement requires payment within 90 days rather than within 30 days.

RELATED STANDARDS TO CHECK (NOT A FINDING OF A BREACH)

- Azerbaijan law — Civil Code - contractual payment obligations

SUGGESTED CLAUSE — DRAFT, HAVE A LAWYER REVIEW (2. PAYMENT)

Customer shall pay each undisputed invoice within 30 days of the invoice date.

ACTIONS

- Amend the payment clause to require payment within 30 days of the invoice date.
